Getting to know us...

When you choose to schedule an appointment

We reserve our appointments very carefully. We require a reservation fee (for fillings, crowns etc...) of \$50 minimum or \$50 for each 30 minutes of scheduled appointment time, whichever is greater at the time of scheduling. Should you need to change your appointment, call us directly rather than leaving a message on the answering machine. We want to reschedule with you personally. Do keep in mind when you cancel an appointment that it could be several weeks before another one is available. If a change in your appointment time is absolutely necessary, **please give us a 2 (two) working day advance notice.** For example, change or cancellation of a Monday appointment must be done by noon on the previous Wednesday. Cancellations without proper notice could result in a broken appointment fee of \$50.00 for each 30 minutes of scheduled appointment time.

We provide a courtesy reminder email, cell phone text message or phone call for your scheduled appointment (unless the appointment is scheduled within 3 days or less). Please let us know which of the above reminders would best serve you. **When you receive the appointment reminder, please confirm that you received our message and that you will be here for your appointment.**

Regarding financial considerations for your visits

Your payment is due at the time of service unless other financial arrangements have been made. Prior to your treatment, we will discuss with you the fees and the financing options available. For your convenience, we accept **Visa, MasterCard, and Discover** and have several excellent financing options available to help you. We do accept payments from your primary insurance company. We will always strive to maximize your insurance benefits for you.

Our goal for you

A healthy, fresh, and beautiful smile is our main focus, and we want you to know that we will not compromise on your care. We look forward to helping you acquire the smile you desire.

Referrals

Our door is always open to newcomers. We would be pleased to serve your family and friends.
